Athlete Declaration

I confirm that I have read and understood Rule 5.6 of the World Athletics Anti-Doping Rules as set out below. I declare that I have decided to retire from International Competitions or not to compete in International Competitions for some other reason and that I wish for my name to be removed from the World Athletics International Registered Testing Pool for no notice out-of-competition testing. I understand that if I decide to return to International Competitions that I must provide written notice of my intent to return to the Athletics Integrity Unit (AIU) and make myself available for Testing before returning.

Rule 5.6. Retired Athletes Returning to Competition

5.6.1: Athletes in the International Registered Testing Pool who have given notice of retirement to World Athletics/the Integrity Unit may not resume competing in International Competitions or National Competitions until they have given World Athletics/the Integrity Unit and their National Anti-Doping Organisation written notice of their intent to resume competing and have made themselves available for Testing for a period of six months before returning to competition, including (if requested) complying with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations. WADA, in consultation with the Integrity Unit and the Athlete's National Anti-Doping Organization, may grant an exemption to the six-month written notice rule where the strict application of that rule would be unfair to an Athlete. WADA's decision to grant or not to grant such exemption may be appealed under Rule 12. Any competitive results obtained in violation of this Rule 5.6.1 will be Disqualified, unless the Athlete can establish that they could not reasonably have known that they participated in an International Competition or a National Competition.

5.6.2: If an Athlete retires from sport while subject to a period of Ineligibility, the Athlete must notify the Integrity Unit (and, if the period of Ineligibility was not imposed under the Anti-Doping Rules, the Anti-Doping Organisation that imposed the period of Ineligibility) in writing of such retirement. The Athlete may not resume competing in International Competitions or National Competitions until the Athlete has given six months prior written notice (or notice equivalent to the period of Ineligibility remaining as of the date the Athlete retired, if that period was longer than six months) to the Integrity Unit and to the Athlete's National Anti-Doping Organization of their intent to resume competing and has made themselves available for Testing for that notice period, including (if requested) complying with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations.
