

Label Road Races 2023 – Athletes with Status, first list

Label Road Races 2023

Athletes with Status, first list, as of 24 November 2022

Notes:

- based on the Rankings as of 6 December (i.e., first release after Valencia Marathon / Fukuoka), Gold Status will be offered to 4 more men coming from the "Marathon" event group ranking, to 18 more women coming from the "Marathon" event group, and to 1 more woman coming from the "10,000" event group.
- based on rankings as of Tuesday 31 January, 9 more athletes per gender will acquire Platinum status (6 from the "marathon" event group, 2 from "road running", 1 from "10,000m"). It is possible that they will be current Gold Status athletes who will be upgraded to Platinum. Also, more athletes may acquire Gold Status based on the number of new Elite and Gold Label races joining the programme.
